

ERASMUS+ “A plural and enriching community”

Our project concerns a short-term exchange of groups of pupils. It started in 2019.

It involves four countries: Spain, Portugal, Turkey, Italy.

Five schools take part in the activities.

We had four mobilities: one in Spain in 2020 and one in Italy in 2021.

Two last mobilities were held in Turkey (March 2022) and in Portugal (May 2022).
